The Auctioneer and the Seller reserve the right to resell such items without notice, and the defaulting Buyer shall be liable to Auctioneer and Seller for any resulting deficiency, including costs incurred in storing and reselling such items.
4. Auctioneer shall charge and collect from each onsite Buyer a 15% buyer's premium for each sale at the Auction, in addition to the purchase price as bid. 8. The Buyer becomes fully responsible for and assumes all risk of loss and damage to items purchased until items are removed from the Auction site, whether or not the removal deadline has passed. If the Buyer does not remove an item within the announced removal period, Auctioneer and the Seller may, in their sole discretion, deem the item to have been abandoned by the Buyer and the Buyer will have no further rights with respect to the item.
9. In the event of any dispute concerning the winning bid price for an item, the record kept by Auctioneer shall control. In any dispute between two or more bidders, the Auctioneer's decision shall be absolute and final.
10. **All items are sold as-is, where-is and with all faults. Neither Seller nor Auctioneer makes any warranty, express or implied, as to the nature, quality, value, or condition of any item. Auctioneer and seller expressly disclaim any warranty of merchantability, fitness for a particular purpose or non-infringement.**

13. Computers, drives and other electronic equipment may contain copywritten software that is governed by a license agreement issued to a third party. In such event the Buyer acknowledges that said software and license agreement(s) are not included in their purchase(s).
